

2026-2027 Independent Verification Worksheet

Your 2026-2027 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

You must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

What to do:

- ❖ If you did not use the Federal Tax Information Approval (FTI) to complete your FAFSA, request a 2024 IRS tax transcript for yourself (if taxes filed for 2024, and your spouse (if married)). See instructions (last page) on how to request a 2024 IRS tax return transcript.

Using The Tax Transcript

If students cannot or will not use the DRT, either at initial FAFSA filing or through online corrections, you can use an IRS tax return transcript for the student, spouse, and/or parents, as applicable, to document AGI, taxes paid, and untaxed income.

Before requesting a transcript, they should allow enough time to pass after filing the return; it takes the IRS 2 to 4 weeks to process returns filed electronically and 6 to 8 weeks for mailed returns. Tax transcripts submitted to your school for verification do not need to be signed by the tax filer (but it is encouraged) unless you have reason to doubt their authenticity.

There are a few ways to request a tax return transcript: online at www.irs.gov/individuals/get-transcript, by calling 1-800- 908-9946, or by mailing the paper Form 4506-T-EZ, which can be printed from the IRS website.

The Get Transcript Online feature allows users to get the transcript in real time as a portable document format (PDF) file, which they can submit electronically to a school or print and submit as a hard copy. To use the Get Transcript Online tool, users must have:

- access to a valid email address,
- a text-enabled mobile phone in their name, and
- specific financial account numbers, such as a credit card number or an account number for a home mortgage or auto loan. The process will not cause charges to the card or the account.

See the <https://www.irs.gov/individuals/get-transcript> website for more information on the Get Transcript Service.
