

KENTUCKY STATE UNIVERSITY

POLICIES AND PROCEDURES

Outside Activities

1. Policy Statement/Procedure Description

The University encourages its faculty to assist in the transfer of knowledge from the University into the general community. It believes that the effectiveness of its academic programs can be enriched by appropriate faculty involvement with the realities of social, economic, and technologic activities outside the University.

2. Entities Affected

- Human Resources

3. Policy Owner/Interpreting Authority

Executive Vice President for Finance and Administration

4. Related Policies
