WorldCat Discovery Searching For Articles and More!

ARTICLES

The “Advanced” search option in Worldcat Discovery allows you to perform expert and selected periodical databases searches. At the WorldCat Discovery search screen box click on ADVANCED SEARCH. Use the fields, limiters, add more rows as desired, as well as use the boolean operators of AND, OR, NOT.

To begin, at KSU homepage click on Academics, then Library, then Library Catalog. Then follow the steps as shown:

1) At Worldcat Discovery search bar click on “Advance.”

Search Kentucky State University Library and beyond.

2) Select desired databases as shown by checking or unchecking. Then click on “Save Changes.”
